A Haagensen/Langan Motion to close nominations passed. All voted in favor.

PARK TOUR:

The tour started at Racetrack Park where the Jonathon Frey asked about extending the nature trail along the tracks. Ken Haagensen inquired about a circle drive in the grass area near the Conservation Club for turning around. The city has had some inquiries regarding the fence that was previously around the park. The citizens were concerned with the fence missing around the playground and children running into the road. The Committee discussed placing benches along IKI Dr. instead of replacing the fence. In Hain Rd, Central and Orchard Parks the Committee would like to see the benches that were purchased installed. Kevin Slagg asked about a sign to go at the Fish Pond. A Citizen has donated money for some playground equipment to be installed at Dickinson Park. At the Kienbaum park there is a dead tree that needs to be removed. Fresh mulch will be placed at all parks that require it.

There being no further business before the Committee, a Haagensen/Langan motion to adjourn passed. All voted in favor.
