

April 7, 2020 Election Day

In-office absentee voting ended on Friday, April 3rd. Absentee ballots can be returned until April 13th by mailing to City Hall, placing in the drop box in the building, or placing in the drop box in the City Hall parking lot.

All City of Edgerton residents will vote in the Council Chambers at City Hall, 12 Albion Street. The polls will be open from 7:00 a.m. to 8:00 p.m Tuesday, April 7th.

If you are planning to vote tomorrow, please be aware the process will likely take longer than usual due to the additional COVID-19 precautions being taken. To ensure physical distancing between voters, only six voters will be allowed in the building at a time. No-touch hand sanitizer stations are available along with pens/styluses for each voter. Barriers have been installed to limit interaction between election staff and voters.

Thank you for your patience as we try to keep our staff and voters safe.

If you have any questions about the election, please contact the Edgerton City Hall at (608) 884-3341.
