**JUNE 15, 2020 COMMON COUNCIL MEETING MINUTES
CITY OF EDGERTON**

Mayor Christopher Lund called the meeting to order at 7:03 p.m.

Present: Sarah Braun, Casey Langan, Candy Davis, Robert Reynolds, Anne Radtke (remotely), and Jim Burdick.

Others Present: City Administrator Ramona Flanigan, City Clerk/Treasurer Cindy Heggland, Municipal Services Director Howard Moser, Utility Director Randy Oren (remote), Police Chief Bob Kowalski, Aquatics Director Anne Gohlke, City Attorney Bill Morgan, The Edgerton Reporter and a few citizens.

Heggland confirmed the meeting agendas were properly posted on Friday, June 12, 2020 at the Post Office, City Hall, Edgerton Library and City's website.

ACCEPT THE AGENDA: A Candy Davis/Sarah Braun motion to accept the agenda as printed passed on a 6/0 roll call vote.

PERSONAL APPEARANCES: Mayor Lund presented a check from the sale of the Veteran's Memorial Building to the Veteran's Memorial Park Committee in the amount of \$50,000.

Ron Hagemann, coordinator of the sign project, reported on the upgrades to the City of Edgerton sign in front of the Edgerton Piggly Wiggly. The sign should be completed by the end of the summer.

MINUTES: A Candy Davis/Sarah Braun motion to approve the minutes from the June 1, 2020 Common Council meeting passed on a 6/0 roll call vote.

A Jim Burdick/Casey Langan motion to approve the minutes from the June 8, 2020 Special Common Council meeting passed on a 6/0 roll call vote.

COMMITTEES:

Finance Committee: A Candy Davis/Sarah Braun motion to approve pay request #1 from RT Fox Contractors Inc in the amount of \$183,255.95 for the Storm Pond and Marshview Ct project passed on a 6/0 roll call vote.

A Candy Davis/Sarah Braun motion to approve the bills and payroll list in the amount of \$522,268.20 passed on a 6/0 roll call vote.

A Candy Davis/Sarah Braun motion to re-notice Luccas Contreros to appear at the next finance meeting for renewal on his operator's license passed on a 6/0 roll call vote.

A Candy Davis/Sarah Braun motion to re-notice Dustin Gauss to appear at the next finance meeting for renewal on his operator's license passed on a 6/0 roll call vote.

Candy Davis reported John Schulte was convicted of serving an underage patron. The offense was committed in August 2019.

Robert Reynolds stated he voted to approve the license at the Finance meeting because he felt that Mr. Schulte has passed every other compliance check in the past. He felt this was just a lapse of judgement therefore should not be punished.

A Candy Davis/Sarah Braun motion to approve an Operator's License for John Schulte passed on a 4/2 roll call vote. Candy Davis and Anne Radtke voted against the motion.

Candy Davis recommended the Finance Committee move the approval of the Car Show packet directly to Council. She felt this was more a policy issue than a financial issue.

Casey Langan asked the Car Show Committee about the issue of restrooms. He felt it was a good thing for the downtown businesses after being shut down however are the businesses concerned with the influx of customers using their restrooms? Ron Hagemann, a member of The Car Show Board stated, in the past they have always rented portable restrooms. This year however, he did not feel that was necessary. The board has not heard any complaints or concerned from any of the downtown businesses.

Sarah Braun asked if they were limiting the number of participants this year or limiting entry for spectators. Ron Hagemann stated in a normal year the show would have around 200 cars and around 500-600 spectators. This year he expects to have less than half that number. There has been no advertising because of the uncertainty if the event would even happen. The Committee has guidelines set in place to accommodate social distancing. The cars will all have one space between them and patrons will be encouraged to wear masks. If too many cars show up the committee is willing to turn them away.

Jim Kapellen stated he has attended the Car Show for many years and he has not seen big crowds gathering in one spot. He felt there would be significant space for people to view the cars and follow social distancing guidelines.

Robert Reynolds/Jim Burdick moved to approve the Tobacco Days Car and Truck Show event packet with the following conditions: all patrons stay on the right side of the road; vehicles be spaced every other parking space; wearing of masks be encouraged; provide hand sanitizer stations; and the local businesses be informed of the event.

Robert Reynolds amended the main motion to include waiving the fees. Jim Burdick seconded the amendment. The motion passed on a 6/0 roll call vote.

The amended motion to approve the Tobacco Days Car and Truck Show event packet with the conditions passed on a 5/1 roll call vote. Candy Davis voted against the motion.

A Candy Davis/Robert Reynolds motion to set the minimum bid price for the auctioning of the used scoreboard at \$1 passed on a 6/0 roll call vote.

A Candy Davis/Sarah Braun motion to approve installing the electrical service on Marshview Court with overhead lines in the amount of \$9,940 passed on a 6/0 roll call vote.

A Candy Davis/Robert Reynolds motion to adopt City of Edgerton Resolution 06-20: Waiving interest and penalties on property tax payment installments passed on a 6/0 roll call vote.

AMENDMENT TO SECTION 3.36 RIGHT TO DISSENT: Jim Burdick asked what the issue with the original language was.

Attorney Morgan stated Alderperson Reynolds inquired how long he had to register his right of dissent. He interpreted the current ordinance to mean he could submit his dissent in writing after the vote. Attorney Morgan explained if a member would like to have their dissent entered into the official record, they would need to vocalize it during the meeting. It would then become a part of the recorded minutes. Staff recommends the ordinance be clarified. Attorney Morgan also stated there were some changes to section 3.08 “All Votes Shall be Recorded” that correlates with section 3.36. The Council can review that also.

City Administrator Ramona Flanigan requested clarification whether to include the suggested wording of sections 3.08 “All Votes Shall be Recorded”. The Council agreed both should be amended.

A Robert Reynolds/Candy Davis motion to amend section 3.36 Right of Dissent using option #3 to clarify its meaning as written by city staff passed on a 6/0 roll call vote.

RESOLUTION 07-20: A Robert Reynolds/Jim Burdick motion to adopt City of Edgerton Resolution 07-20: Use of streets and alleys by City of Edgerton Water and Sewer Utilities passed on a 6/0 roll call vote.

PURCHASE AGREEMENT FOR 407 N MAIN ST: City Administrator Ramona Flanigan stated the current purchase agreement for 407 N Main St expires at the end of June. More soil testing is needed. The extension will allow the DNR to do the additional testing.

A Robert Reynolds/Sarah Braun motion to approve the extension of the purchase agreement for 407 N Main St passed on a 6/0 roll call vote.

CLOSED SESSION: A Candy Davis/Jim Burdick motion to go into closed session pursuant to Wis. Stat. 19.85(1)(g) “Conferring with legal counsel for the governmental body who is rendering oral or written advice concerning strategy to be adopted by the body with respect to litigation in which it is or is likely to become involved.” Discuss and consider 2 Burdick Street passed on a 6/0 roll call vote.

Being no other business before the Council, a Sarah Braun/Anne Radtke motion to adjourn from closed session passed on a 6/0 roll call vote.

Memo

To: Common Council
From: Staff
Date: 7/2/2020
Re: July 6, 2020 Meeting

Municipal Lot Improvements (Henry and Rollin) – The City Council authorize staff to obtain bids for improvements to the City owned parking lot located at the corner of Rollin St. and Henry St. The improvements include: the installation of landscape beds along the north side of the lot; 130 feet of new curb; sealcoating and striping; and the addition of a new storm sewer structure over the existing 24-inch stormwater pipe. Staff contacted several vendors and received two proposals to complete the curb installation. Johnson Brothers Construction, LLC was the lowest responsible bidder at a cost of \$4,940.00. Staff recommends awarding the contract for curb installation to Johnson Brothers Construction, LLC in the amount of \$4,940.00.

Staff contacted several vendors for the installation of the new storm structure and received two proposals. G. Fox & Sons, Inc. was the lowest responsible bidder at a total cost of \$2,400.00. Staff recommends awarding the contract for storm structure installation to G. Fox & Sons, Inc. in the amount of \$2,400.00.

Staff will present quotes for sealcoating and striping, and landscaping at a future meeting

Cemetery fee changes – Staff reviewed the current fees that we charge for the purchase of grave space and services provided at Fassett, Jensen, and St. Joe's cemeteries. We contacted several communities (Albion, Beloit, Janesville) to compare rates and found that our costs were significantly lower than surrounding cemeteries. Staff recommends adjusting the cemetery rates to be more comparable to area cemeteries. Staff also recommends eliminating the fee for burials after 2PM.

The existing fees are listed in Chapter 14 of the Code of Ordinances. Staff is recommending the fees be removed from the Ordinance and instead adopted by Resolution to reduce costs of the ordinance amendment process going forward. Ordinance 20-04 in your packet indicates the proposed Ordinance changes. The proposed fees are included in Resolution 09-20 in your packet.

Veterans Park Improvements – In conjunction with the construction of the new Veterans Memorial, staff is recommending additional parking, curb and sidewalk to improve access to the site. (See attached sketch). Funding for these improvements would be from the sale proceeds of the Veterans' Memorial Building. Staff has contacted several vendors to install a new 260 square yard parking area on the north side of the Central Park road and received 5 proposals. The lowest responsible bidder was Riley Paving Service in the amount of \$7,500. This includes excavation of the turf, installation of 6-inch

gravel base and 3 inches of compacted hot mix asphalt. Staff recommends awarding the contract for the new parking area at Veterans Park to Riley Paving Service.

Staff anticipates having quotes for the sidewalk and curb work for Monday's meeting.

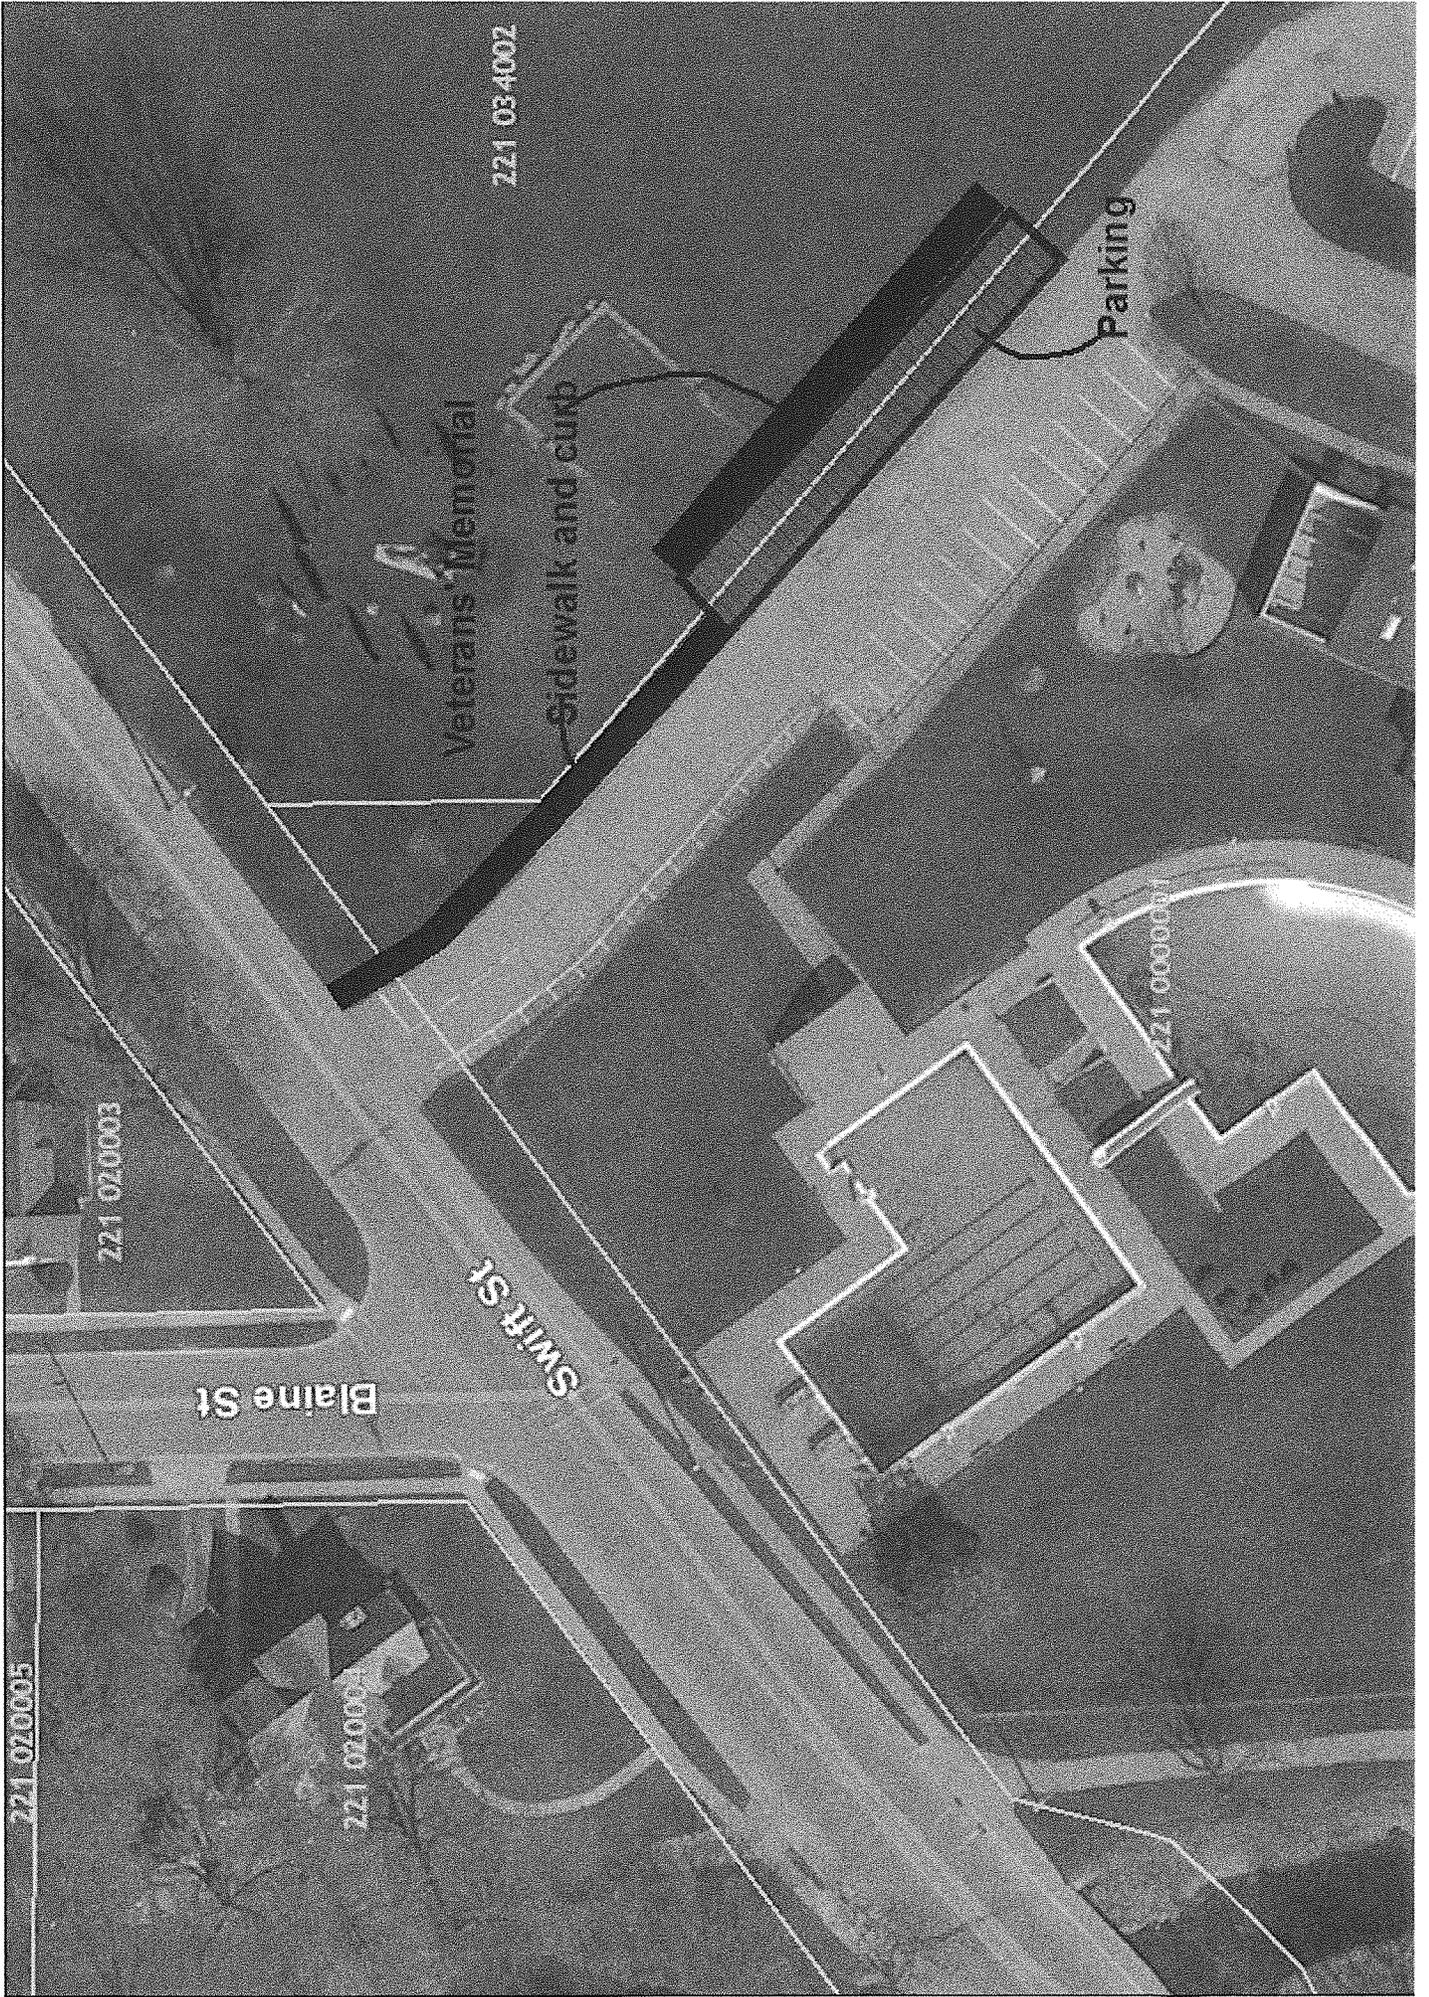

Compost/Brush Pile Grinding - Council approved \$15,000 for Atlas Custom Grinding to grind the brush/compost pile located at Fassett Cemetery. Atlas provided a total of 12.5 hours of brush grinding at \$600 per hour for a total of \$7,500 in costs. Atlas will not grind any of the compost and has refused to return and complete the project. Staff contacted the second lowest bidder Bucklins, Inc., and they revisited the site on Tuesday June 30th. Bucklins is estimating 2 days to grind the compost and 1 day to grind brush (including regrinding the chips created by Atlas into smaller chips). Staff recommends authorization to complete the grinding of brush/compost with Bucklins, Inc., at a not to exceed amount of \$17,000. (This is an additional \$9,500 more than the \$15,000 previously authorized).

Compost/Brush Drop Off Site Changes – The City currently offers a compost/brush drop off site for City residents to utilize for the disposal of brush, grass clippings, and leaves. The site is located at Fassett Cemetery and is open at all times. Staff has found that the site is being used by surrounding communities and contractors which has resulted in a significant amount of material that needs to be processed and removed by the City. The Public Works Committee recommended the following changes to the current drop off site operation:

- Install a 6 ft. fence with a 24 ft. gate across the front of the drop off site;
- Restrict access to City residents only;
- Limit hours to Monday 1pm – 5pm, Thursday 3pm – 7pm and Saturday 11am – 3pm;
- Staff the site during open hours to verify residency, inspect the material and direct the residents;
- Provide cameras and signage; and
- Modify the ordinance to implement a penalty for illegal dumping of brush, yard waste and leaves. (Ordinance 20-05 is provided for consideration)

If the Council approves the changes to services, staff will present quotes for the improvements and cost for staffing at a future meeting.

TO: Edgerton Plan Commission

FROM: Staff

MEETING DATE: June 10, 2020

GENERAL DESCRIPTION

Description of Request: Approval of a Preliminary and Final one lot Certified Survey to allow the dedication of an extension to Henderson Street

Location: Henderson Street

Applicant: City of Edgerton

Current Zoning/Land Use: A-1/open space

Parcel Sizes: 3000 sf and 6.04 acres

STAFF REVIEW COMMENTS

Staff has reviewed the petition for planning issues in accordance with the Edgerton Zoning and Land Division Ordinances and has the following comments:

1. The proposed land division will dedicate 3,000 sf for an extension to Henderson Street. The land division will provide the right of way needed for a cul de sac and will make the existing lot north of the subject parcel a legal lot by providing adequate street frontage for the lot.

STAFF RECOMMENDATION

Staff recommends the Plan Commission recommend approval of the proposed Preliminary and Final one lot Certified Survey for the extension of the Henderson Street right of way under the following conditions.

1. The final CSM includes all easements.
