All trees shall be planted according to the following rules as stated in Chapter 10.10 of the City of Edgerton Municipal Code.

- (a) No trees shall be planted on any City street until the grade for such street has been established and cut or filled to the established grade.
- (b) No tree shall be planted on a street where the width of the terrace between the walk and the curb line is less than 8 feet or more, and non between the walk and curb on those through streets as show on the official map unless the street is 66 ft or more.
- (c) No tree shall be planted nearer than 10 feet from an intersecting street line.
- (d) All trees shall be placed at least 30 feet apart on lots with a frontage of less than 70 feet and not less than 35 feet apart on all other lots.
- (e) Where trees are permitted between walk and curb, all trees will be placed 4 feet from the outside edge of walk.
- (f) The following trees shall not be planted in the streets and alleys of the City:
 - 1. No elm of any type until such time as one immune to Dutch Elm Disease has been developed.
 - 2. No box elder.
 - 3. No nut tree.
 - 4. No willow, cotton wood, poplar, catalpa or native honey locust.
 - 5. No shrubs of any kind.
 - 6. No Evergreens.
