"Notice is hereby given that a majority of the Common Council is expected to be present at the above scheduled noticed meeting to gather information about a subject over which they have decision-making responsibility. The only action to be taken at this meeting will be action by the Public Works Committee."

August 25, 2021
PUBLIC WORKS COMMITTEE MEETING MINUTES
CITY OF EDGERTON

Chair Jim Burdick called the meeting to order at 6:01 p.m. Committee members present were Jim Burdick and Casey Langan. Also present were City Administrator Ramona Flanigan and Municipal Services Director Howard Moser.

Sarah Braun was absent (excused).

Moser confirmed the agendas were properly posted on Friday, August 24, 2021 at the Post Office, Edgerton Library, and City Hall.

APPROVE MINUTES: A Burdick/Langan motion to approve the August 2, 2021 Public Works Committee minutes passed on a 2/0 roll call vote.

DISCUSS DANE COUNTY NATURAL HAZARD MITIGATION PLANNING. Staff has completed all of the Risk Assessment worksheets within the Dane County Natural Hazard Mitigation Plan Packet and reviewed the information with the committee.

A Burdick/Langan motion to approve and submit the packet passed, all in favor.

Being no other business before the Committee, a Braun/Burdick motion to adjourn passed, all voted in favor.

Howard Moser/smc
Municipal Services Director

Municipal Problem Statement Worksheet

Sept. 2021

- Use this worksheet to develop a problem statement for your municipality.
- Use a separate worksheet for each problem statement.
- **By TH Sept. 23**, submit all *problem statement worksheets* in MS WORD format to mclellan@countyofdane.com and husen.sara@countyofdane.com.

Municipality	City of Edgerton
Natural Hazard	Flooding
Describe conditions associated with this hazard and identify where and when problem(s) occur	
<i>Describe what happens</i>	If fields are frozen during a rapid spring thaw or with intense summer rain events, water accumulates at the entrance to the City's underground storm water system.
<i>Location(s)</i>	Northeast corner of Thronson Drive and US Hwy51.
<i>Time frame associated with the occurrence</i>	Summer rain events: 1-12 hours. Winter thaw 1-4 days.
Describe the risks from this hazard to persons, facilities, finances, and ancillary activities	
<i>Impacts on persons</i>	May disrupt access to personal storage warehouse.
<i>Impacts on facilities (include locations as appropriate)</i>	No structures or streets have flooded. If Thronson Drive were to flood, access to approximately 50 homes would be impacted.
<i>Financial impacts</i>	Occasional crop loss
<i>Secondary / ancillary impacts</i>	
Identify what a desired outcome looks like	
Upstream stormwater control improvements that reduce the risk of flooding.	
Describe why it is import to address this problem	
Reduce risk to structures and streets and to ensure access to residential structures.	

Memo

To: Public Works Committee
From: Staff
Date: 9/17/2021
Re: September 20, 2021 Meeting

River Road Bike Path or Sidewalk: A resident requested we investigate the possibility of having a sidewalk or bike path on River Road. The road is narrow making it unsafe for pedestrians. The street is considered a collector as it serves as the only access for 100s of homes.

The City investigated the installation of a sidewalk or a multiuse path from Fulton Street to Diane Drive several years ago. Some of the obstacles at that time were cost and a policy about who would remove snow.

The timing to consider this project is good in that the bi-annual DOT TAP grant applications are open. The TAP program funds alternative transportation projects.
